Mr. Cosmo Monkhouse, Curator

Hampshire House

Dear Mr. Monkhouse:

We are interested in acquiring any of the original prints and master drawings of William Fox, the elusive and wizard figurative artist-sculptor. We are chiefly interested in his innovative encaustic monotype drawings of James Earl Ray, Fire Island athletes and his print titled " Crossfire" which depicts the assassination of President Kennedy.

Rest assured, that I will personally arrange to have any amount of money paid to you upon receipt of these drawings in question. They are of vital concern to the Bureau.

Very truly yours,

John Edgar Hoover
